

Fostering educational research since 1928

NSW IER Inc. aims to promote ...

Educational research:

- By identifying persons or bodies likely to be interested in conducting such research; and
- By providing guidance in the planning and conduct of such research.

Educational study and service:

- By disseminating educational information, particularly in recent trends in educational research.

Membership is open to people with a commitment to education and an interest in educational research.

Teachers and new educational researchers are warmly encouraged to join.

Membership Benefits

The NSW Institute for Educational Research Inc. was founded in 1928 and in 2003 the NSW IER celebrated its 75th year dedicated to encouraging study, research and service in education.

Throughout the year the NSW IER conducts professional and scholarly meetings. It also contributes to the publication of a national IER research journal and an occasional Bulletin. Membership is open to people with a commitment to education and an interest in educational research. Teachers and new educational researchers are warmly encouraged to join.
